## Fort Pierce Police Arrest Shooting Suspect

On April 7, 2011 at approximately 2:00am Fort Pierce Police Officers responded to 1010 Ohio Avenue regarding a shooting that had occurred in front of the residence. On arrival, police found three victims had been shot and were subsequently transported to Lawnwood Regional Medical Center for treatment.

Fort Pierce Police Investigators began working on the case and have confirmed that they have arrested Addiel Lozano (07-02-1988) of 714 Palm Avenue, Fort Pierce Florida. Lozano is charged with three counts of attempted murder and one count of discharging a weapon from a vehicle.

The shooting started at approximately 2:00 am on April 7, 2011 in front of 1010 Ohio Avenue. Witnesses reported to Fort Pierce Police that there was a fight in the roadway approximately twenty minutes before the shooting between alleged rival gang members. After the fighting stopped, one of the men involved said that they would "be back".

A short time later, a silver four door car came back in front of 1010 Ohio Avenue and police detectives allege Lozano shot at the people in front of the house. Lozano is being held without bond.
